

Refund Policy

Effective Date: May 17, 2026

Last Updated: May 17, 2026

Our Promise

We want every student to feel confident purchasing from SoloSuccess Academy. That's why every course is backed by a **14-day money-back guarantee**, no questions asked.

How to Request a Refund

- Email **Support@solosuccessacademy.cloud** from the address on your account.
- Include the course title and order/payment date in your message.
- Submit your request within **14 calendar days** of the original purchase.

Processing Time

Approved refunds are issued to your original payment method via Stripe within 5–10 business days. Your bank or card issuer may take additional time to post the credit.

After the Refund Window

After 14 days, all sales are final, except where a refund is required by applicable consumer-protection law (for example, statutory cooling-off rights for EU/UK consumers, where applicable).

Bundle and Discount Purchases

If you purchase a bundle or use a discount code, refunds apply to the actual amount paid. The 14-day window starts on the bundle purchase date.

Chargebacks

Please contact us first at Support@solosuccessacademy.cloud before disputing a charge with your bank. Initiating a chargeback without first contacting us may delay resolution and may result in account suspension while the dispute is investigated.

Account Access After Refund

Once a refund is issued, access to the refunded course is removed. Other courses and your account data are unaffected.
