

Subprocessor List

Effective Date: May 17, 2026

Last Updated: May 17, 2026

SoloSuccess Solutions engages the following third-party subprocessors to deliver SoloSuccess Academy. Each subprocessor is bound by contractual confidentiality and data-protection obligations.

Subprocessor	Purpose	Data Categories	Location
Supabase, Inc.	Database, authentication, file storage, edge functions	Names, educational data, files	United States
Stripe, Inc.	Payment processing	Name, billing details, card token	United States
Vercel, Inc.	Frontend hosting and CDN	IP address, request logs	Global edge
Lovable, Inc. (AI Gateway)	AI routing to Gemini and OpenAI for tutoring, submission generation, submission feedback	Prompts, submission text	United States
Google LLC (Gemini)	Underlying LLM via Lovable AI Gateway	Prompts, submission text	United States
OpenAI, L.L.C. (GPT)	Underlying LLM via Lovable AI Gateway	Prompts, submission text	United States
ElevenLabs Inc.	Optional text-to-speech for textbook	Text passages	United States
Runway AI, Inc.	Optional video generation for course assets	Prompts	United States
Resend (via SMTP)	Transactional email delivery	Email address, message content	United States

International Transfers

EU/UK personal data transferred to U.S. subprocessors above is protected by the EU Standard Contractual Clauses (or the UK International Data Transfer Addendum) incorporated by reference into the subprocessor's data-processing terms.

Notice of Changes

We will update this list at least 30 days before engaging a new subprocessor that processes personal data. Customers may object to a new subprocessor by emailing Support@solosuccessacademy.cloud before the change takes effect.
